

The K-LOVE radio station at 90.7 in our listening area serves residents of all ages and walks of life. It supports wholesome values and has a positive and encouraging impact on adults and children. In a world such as ours, we desperately need a station that touches the hearts and minds of our children with music that nurtures their minds and souls. IF K-LOVE is displaced by an LPFM we will lose the opportunity to reach millions of listeners with Christian music and values. It is so in the interest of our community to keep K-LOVE on the FM translators and allow our children the chance to be inspired and blessed with such a wholesome station. PLEASE help preserve this wonderful station and all the blessings that it gives to us daily.
